New Arrivals

Well, what can we say - as far as new arrivals go, The Commercial Group is pretty new. We've arrived as Saskatoon's boutique Commercial Real Estate Brokerage. We've arrived as a new team. We've arrived in our new amazing offices. We've all approached of this with new attitudes.

We inject FUN whenever & wherever we can - if we take ourselves too seriously, the fun is easily lost. We ensure that we don't do things simply because "we've always done it that way"; in fact, we ask "why" & "why not" more than we say "no-that can't be done".

Our team was founded on the principles of trust & openness. We want our clients to know we can be counted on to work with them and our

teammates can be trusted to share our expertise. We collaborate, we challenge the status quo, & we do it all because it's our passion. It's what gets us out of bed in the morning.

We are excited to continue working with our amazing clients & welcome new clients into our mix. The market has welcomed us with open arms & we couldn't be more pleased. For that, **we thank you**. We look forward to working with each and every one of you and growing our TCG family.

Since November, we've grown a bit. We've learned some, we've lost some, & we've added team members. Today, we're six strong and we specialize in sales, leasing, investment, & the professional marketing of commercial real estate in Saskatoon because this is our passion.

Where is TCG?

Aside from our physical offices being established in the historic Adilman Building on 20th Street West in Riversdale, TCG is everywhere. Our web presence, brochures, signs, and posters, are everywhere you are and want to be. Look for:

Signage

Oh yes we did - we put reflective print and accents in our signage - why, because it attracts attention in an unexpected way, which leads to more calls, and because we said "why not".

Posters

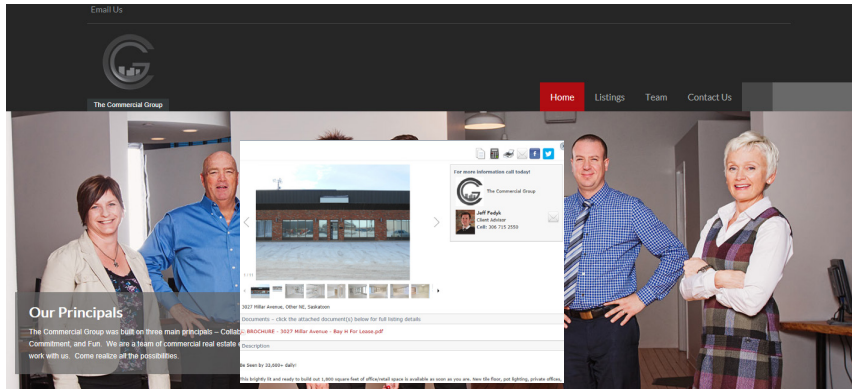

Yes, we ensured the reflective print shows up here too! Windows & doors across the city have been donned with these beauts!

Brochures

Okay, so there's no reflective ink, but they accompany every online listing we have. 2, 4, or more pages to highlight, discuss, & just plain ole brag about your property!
