## New Arrivals

It is always our pleasure to share with you a success. In fact, when the success has more to do with flying your flag than ours, we feel like we did a good job today.

There is always a lot of activity along 8<sup>th</sup> and sometimes it's hard to single individual changes and see it clearly.

**RED TIDE TATTOO COMPANY** is Saskatoon's newest custom tattoo studio and is proud to be opening in September.

Family owned & operated by entrepreneur Bradley Friesen & wife/tattoo artist, Jenlee Friesen, this studio is packed-full of talented artists offering diverse style categories.

Currently 3 artists are on the team with a host of others joining in mid-September.

Our goal as a studio is to provide everyone with a top-quality tattoo experience - in every aspect from the location

with its modern open-concept studio setting to every custom masterpiece we create for our clients.

We work with you to create your perfect tattoo, no matter what the style or subject matter. We even help fix or cover tattoos with which you may no longer be happy.

**Kari Fox** considers herself lucky to have worked with both of these outstanding clients to find their new locations - Cheers!

## Software Solutions - ProjectLine Solutions, that is...

**ProjectLine Solutions** has been providing best-in-class business management software solutions to customers across Canada since 2001. They have expertise in a variety of manufacturing, distribution, and service industries, and enable businesses to become more efficient, productive, and profitable. Essentially, they sell, deploy, and support software systems to run all aspects of a small or mid-sized business.

ProjectLine has the exceptional goal of "helping their customers do what they do better". **That's terrific!**

Since they've been in a growth mode for the past few years, they recently relocated to a larger premises & we here, at **The Commercial Group**, couldn't be more thrilled to wish them well. They already seem well-settled in their new headquarters and we lift a glass in their honour!
