Canadian Summer Edition

The Commercial Group team put our heads together and tried to come up with a better place to be in summer and there is simply no place better than

CANADA!

We then started reminiscing and sharing our favourite stories, hot spots, and vacation destinations for this year.

Kevin & Kari have a passion for the water and the West Coast is going to be the beautiful Canadian favourite location they'll explore this summer. **Matt** is looking forward to catching some rays anywhere OUTSIDE a hockey rink for about 8 days; before the next season starts up (just kidding); but seriously, he and his family love to take in the Okanagan. **Jeff**, although, now a permanent resident of Saskatoon can't seem to shake the "Greatest Show On Earth" so will be heading west to take in the Calgary Stampede! **Melinda** has had a busy few months and is looking forward to a good old fashioned "stay-cation" right here in Saskatoon, while **Simone** and her husband will be travelling east to their cabin at Grand Beach, MB where this little slice of our country feels like a world away by the ocean.

No matter where we travel, what festivals we take in, or what the perfect summer day means to any of us - we all agreed on one staple... **BBQ'd RIBS!**
